FALL RALLYE NEW ENGLAND

Ayuh, it's Gonna be a Wicked Pissah

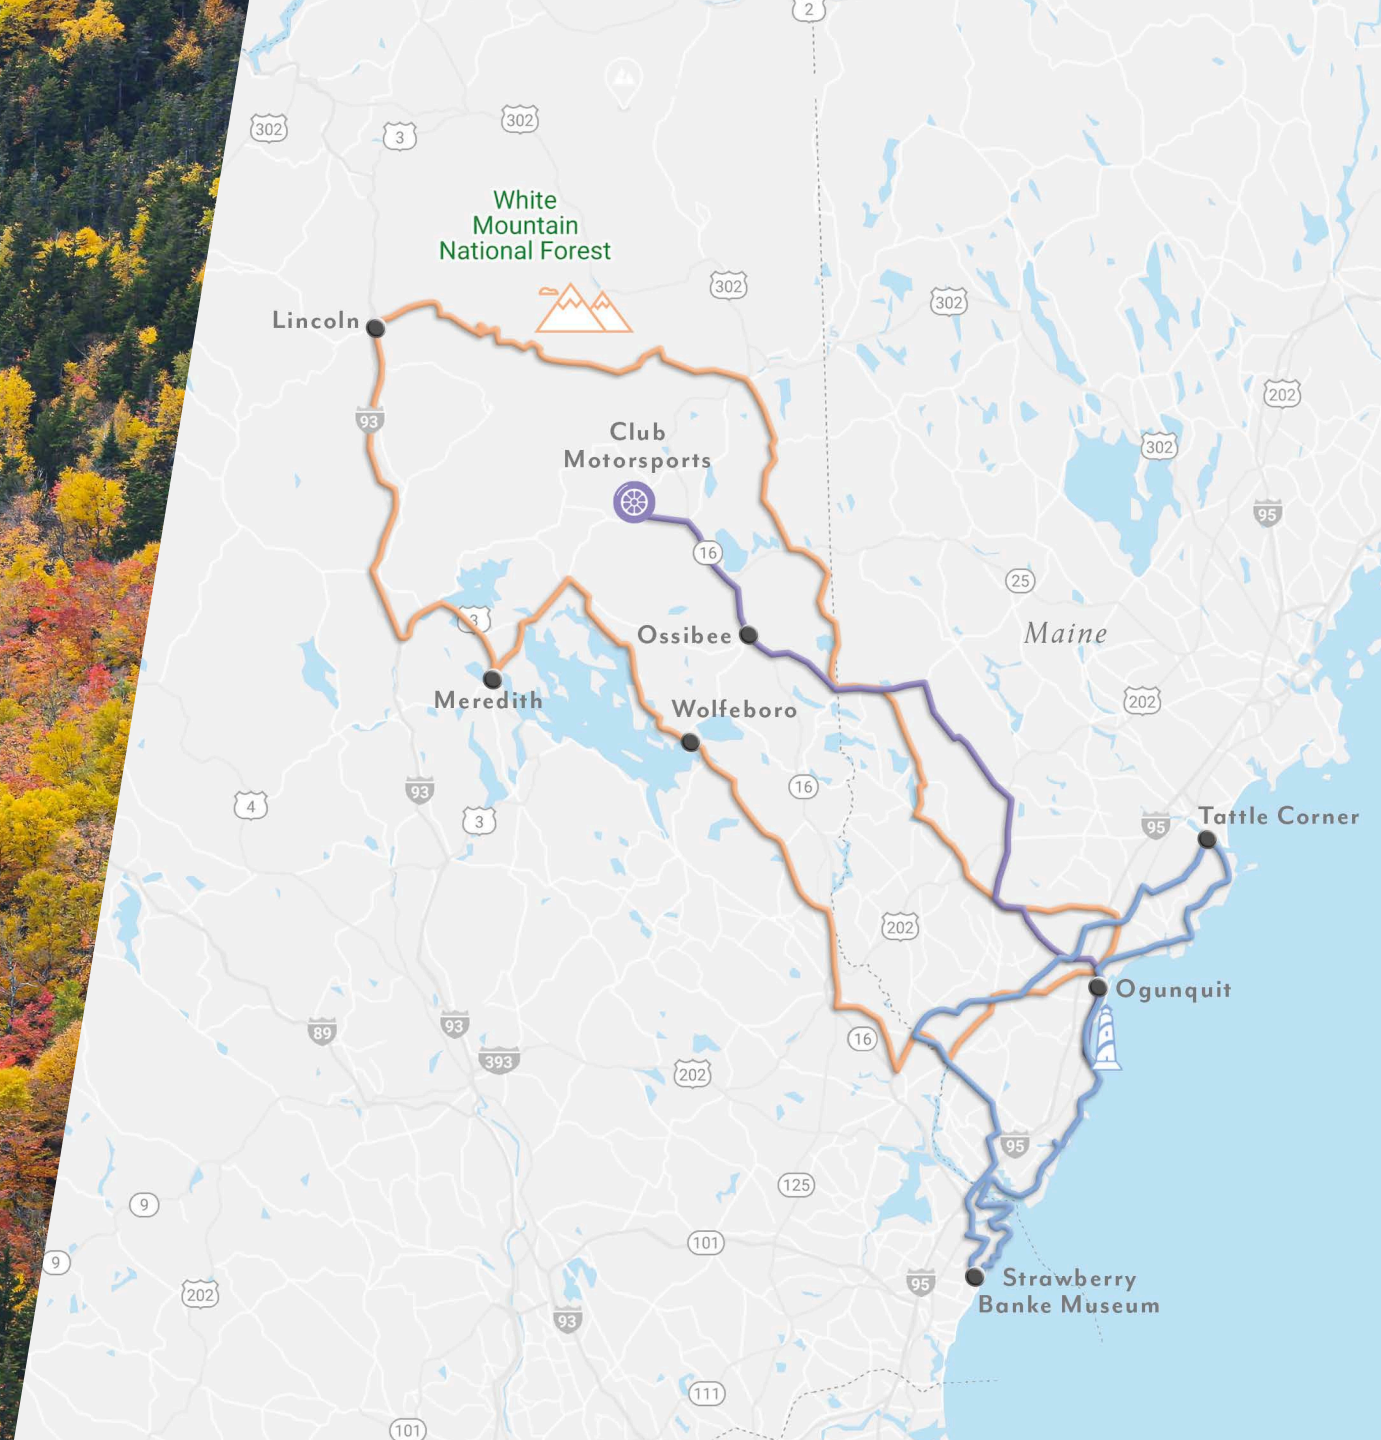

Fall Rallye New England

The splendor of New England fall foliage is among the most spectacular natural occurrences, anywhere in the world. When the lush green leaves of summer morph into fall's iridescent hues of red, yellow, orange and green; and as the lazy, hazy, hot and humid days of August gently seque into the crisp, clear, brisk days of September and October, few things in life can compare to a dashing road trip through the twisting, undulating old school roads of historic New England.

Where Are We?

From Maine's famous Atlantic shoreline, through enchanting and historic 16th century towns dotted with iconic Cape Cod Houses, to the vast expanse of New Hampshire's majestic White Mountain National Forest and the Hollywood-famous Squam Lake, setting for the 1981 Oscar Award-winning film, "On Golden Pond", the Fall Rallye New England is an enthralling journey through beautiful, serene, rugged and historic Americana.

— Welcome to Maine —

Thursday 15th October

Sitting high on the ragged cliffs on Maine's majestic coastline, the resort Cliff House Maine is the perfect retreat for exploring some of Maine's and New Hampshire's natural and historic wonders.

After checking in, participants will enjoy the golden atmosphere by admiring the sunset with delightful cocktails on the terrace. An excellent culinary dinner will be served prior to the restful night with the oceans sound lullabying to sleep.

welcome
DAY

— Into the Mountains —

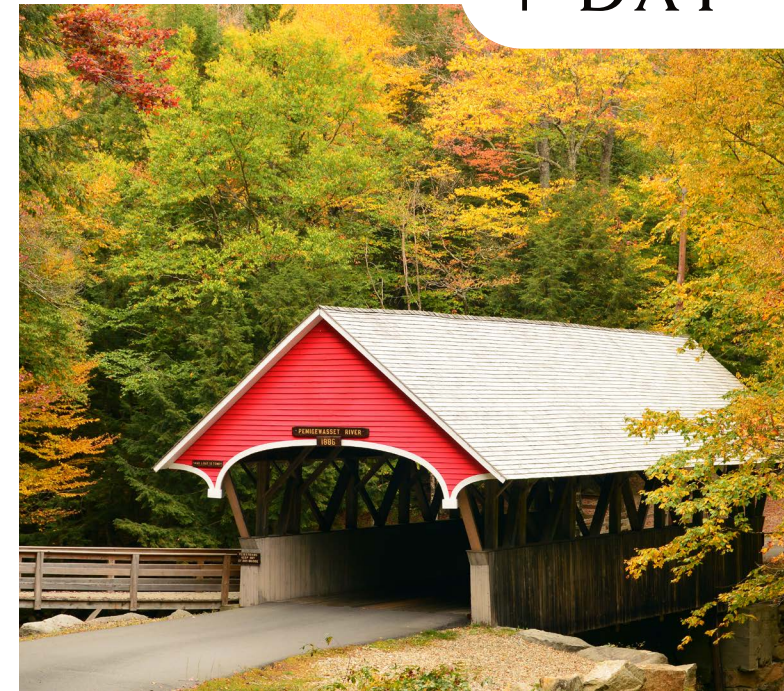

Friday 16th October

We head north from Cape Neddick through the early American towns of southern New Hampshire, twisting and turning, rolling and flowing our way past iconic New England barns, along rock wall-lined roads reminiscent of old school roller coasters, ensconced by noble, centuries-old oak, maple, hickory, elm, hemlock, pine and spruce trees.

We navigate our way along many of New Hampshire's famous lakes as we make our way into the foothills of the White Mountain National Forest, before concluding day one back at The Cliff House.

1st DAY

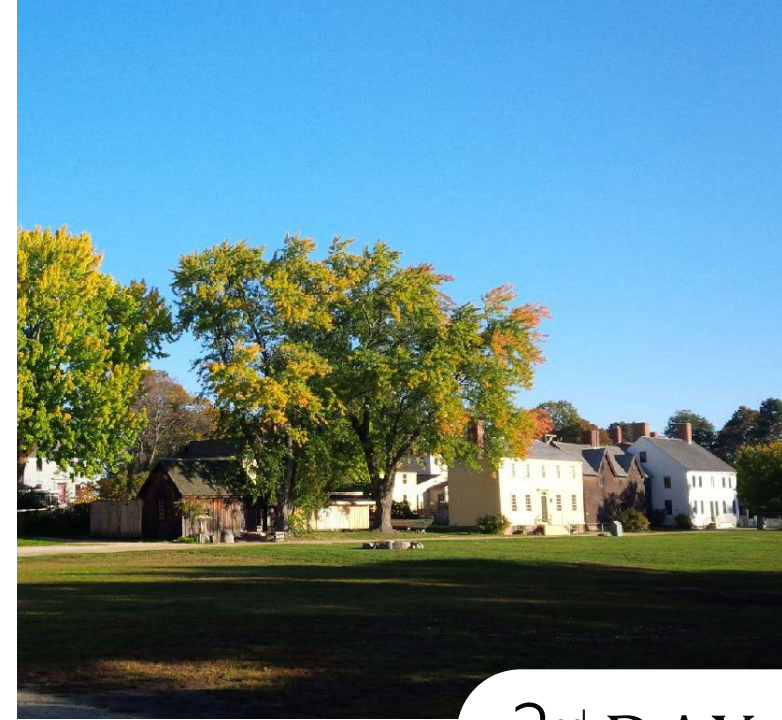

Saturday 17th October

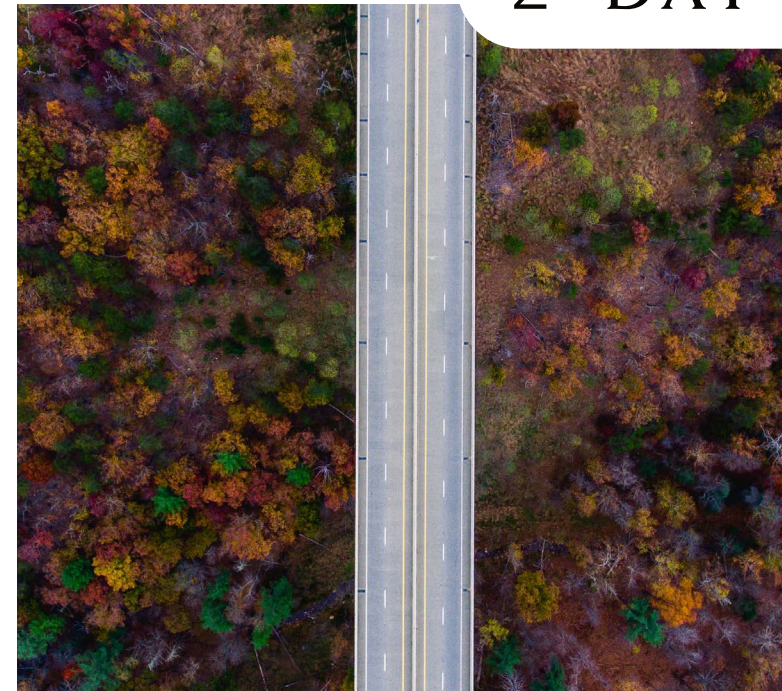

Our journey takes us along the Atlantic Coast through the historic towns of Cape Neddick and Kittery, Maine and into the city and surrounding coastal areas of Portsmouth, New Hampshire, one of America's first ports.

We will enjoy our lunch on the west bank of the harbor which was settled by English colonists in 1630 and named Strawberry Banke, after the many wild strawberries growing there. We will return to the tranquility and splendor of the Cliff House by way of Kennebunkport, Maine – another iconic coastal New England town.

Dinner will give tribute to the theme of the day with Maine's famed fresh lobsters.

2nd DAY

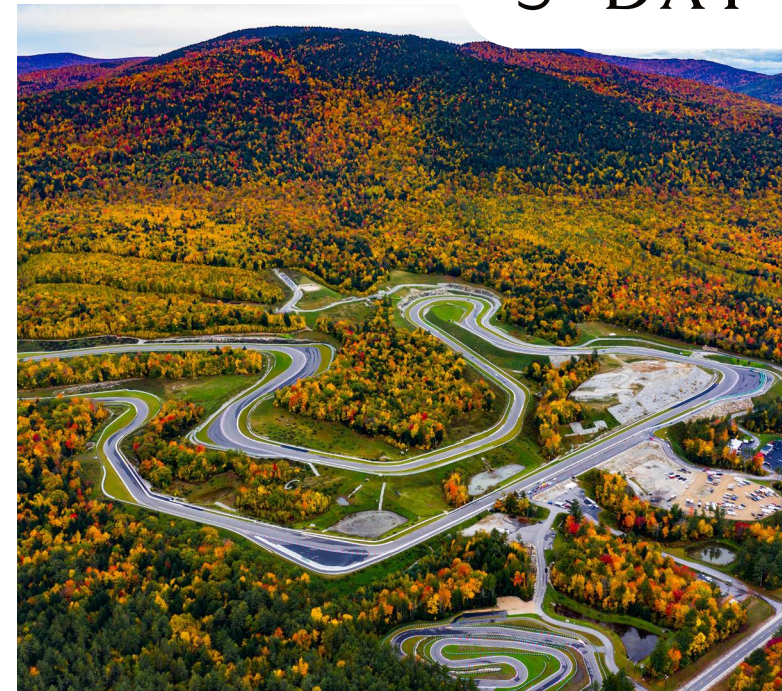

— And now a Little Track Time —

Sunday 18th October

We journey back into New Hampshire's White Mountain National Forest, this time our destination is Club Motorsport, a brand new, bespoke 2.5 mile, 15-turn race circuit with 250 feet of elevation change, stunning views and beautifully nestled within the White National Forest.

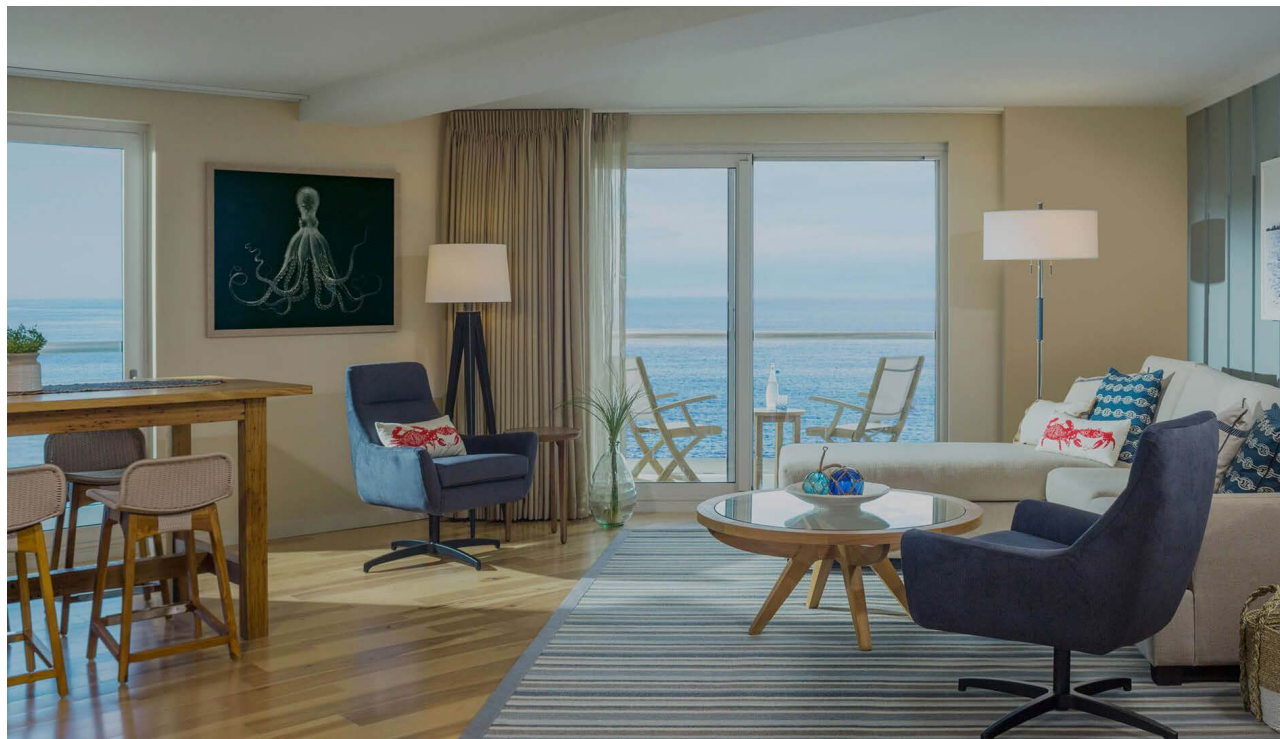

Following our time on track, we will celebrate our journey together with lunch and our awards ceremony at Club Motorsport, before we say our farewells.

3rd DAY

Cliff House Maine

Steeped in a rich history dating back to 1866, one year after the end of the US Civil War, The Cliff House was a fanciful idea as a modern and elegant resort intended to draw in the well-heeled citizens of the 1910s, 20s and 30s. Today, this same objective is adhered to by The Cliff House, providing luxury accommodations for today's international travelers, and featuring a full compliment of fitness, spa and sporting amenities and highlighted by gourmet dining experience.

DRIVE SAFELY

The participants protection is our priority

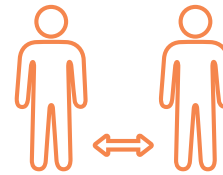

SAFETY FIRST

**OUR STAFF WILL WELCOME YOU
WITH MASKS**

and a smile under the mask

**RESPECT FOR
SAFETY DISTANCES**

while close in passion

Every moment of the trip has been conceived to guarantee a carefree and pleasant experience for the participants.

Our staff is prepared to welcome you with the usual smile, even if hidden by the mask, and will provide you with all necessary protective gear (masks, hand sanitizer).

All operators involved in the tour comply with safety regulations and will do their utmost to ensure that physical distance does not prevent us from sharing our common passion.

The car is certainly the safest way to get around, and in this case it is also a fantastic driving experience!
